

PATIENT REF	CONSULTANT	DIRECTORATE	DOCUMENT TYPE
KCH-2026-●●●●47	Dr P. Nandakumar	Oncology	Treatment Summary (Provisional)

03 June 2026

To Whom It May Concern,

RE: Treatment Summary — Fatima Yusuf (DOB: 22/09/1958)

This letter is provided at the request of the patient's family representative, Ms Hana Yusuf, for the purpose of supporting a charitable funding application. It is issued by the Oncology Directorate of King's College Hospital NHS Foundation Trust.

Ms Fatima Yusuf has been under the care of our department since early 2026 following a referral from her GP. A clinical assessment has been conducted and treatment planning discussions have taken place.

Notice Regarding Cost Documentation

Full itemised invoices, treatment schedules, and cost breakdowns have not yet been finalised pending completion of the NHS funding review process. This letter serves as a provisional confirmation of care engagement only.

We can confirm the following information has been recorded in the patient's file:

ITEM	STATUS	ESTIMATED COST (£)	NHS COVERAGE	OUTSTANDING
Initial Oncology Consultation	Completed	450.00	Partial	TBC pending review
Diagnostic Imaging (CT)	Completed	1,200.00	Covered	—
Chemotherapy Regimen	Scheduled (pending)	Not yet costed	Under review	TBC
Immunotherapy Protocol	Proposed (not approved)	Not yet costed	Not approved	TBC
Home Nursing Care	Not yet arranged	Not yet costed	N/A	TBC
Total Confirmed Outstanding as of this date				£ 450.00 (partial)

SUPPORTING EVIDENCE NOT YET AVAILABLE

Itemised treatment invoices, pharmacy receipts, and formal funding gap assessments have not been issued at this stage. The family has been advised to reapply for supporting documentation once the treatment plan has been formally approved and invoiced. No total cost figure has been confirmed by this hospital.

We are unable at this time to verify or confirm any specific total cost figure or outstanding medical debt amount beyond what is itemised above. Any figures quoted in external fundraising communications are not sourced from or verified by King's College Hospital NHS Foundation Trust.

Should you require further information, please contact the Patient Services team on 020 3299 9000, quoting the patient reference above.

Yours sincerely,

P. Nandakumar
