

Aden Community Relief Council — Crater & Khor Maksar Districts

Community Displacement & Welfare Reference — Al-Hajri Family

SUBJECT

Tariq Nasser Al-Hajri and Family (8 persons)

ISSUED

2026-06-03

This reference is issued by the Aden Community Relief Council on behalf of Sheikh Abdulrahman Bin Saeed Al-Wazir (Masjid Al-Noor, Crater) and Mr. Hassan Mohammed Al-Zubayri (Khor Maksar Neighbourhood Council). The Al-Hajri family — comprising Tariq Nasser Al-Hajri (born 14 July 1983), his wife Samira, his mother Ruqayya (aged 71, cardiac patient), and four minor children — relocated to Aden in October 2025 following the destruction of their residence in Hudaydah Governorate. The family is currently residing in a single rented room at Block 7, Street 22, Khor Maksar. They possess no regular income and are reliant on irregular diaspora remittances. The Council confirms the family's circumstances as described in this

appeal and attests to Tariq Al-Hajri's integrity and accountability in managing charitable funds under community oversight.
