### ASSESSMENT NOTES

The above-named individual approached our Karachi intake desk on 28 May 2026 requesting food assistance referral documentation. Standard intake forms were partially completed. Supporting evidence of household income, ration card (BISP or provincial scheme), or utility bills was not submitted at the time of this certificate.

Per Edhi Foundation internal guidelines (Circular EF-OPS-2019-07), referral certificates issued without income verification carry a flag status and are subject to re-assessment before disbursement. This certificate is issued as a **preliminary referral only** and does not constitute a confirmed food-insecurity determination.

#### Missing Documentation — Action Required

The following documents were requested but NOT submitted: (1) BISP beneficiary card or NSER registration proof, (2) household utility bill (past 3 months), (3) signed affidavit of income or unemployment. Campaign organiser is advised to resubmit with complete documentation for full zakat-eligibility confirmation.
